

Supported Independent Living Brighton

This property is perfect for one person with 1:1 funding or two people with 1:2 funding. Being currently vacant, this is a great opportunity to make the space your own and be involved in the selection of the perfect housemate (if you have 1:2 funding).

Situated on a quiet street, this home boasts a spacious open plan layout, making it ideal for pursuing goals and interests. It's right next door to another of our SIL homes, so you'll be joining a great little community with ample opportunities to make new friends.

The home is also close to everything you need – including Flinders Medical Centre, Westfield Marion, and Glenelg Beach. Plus, with a private courtyard, artificial turf, and low maintenance fruit trees, this property also features a lovely outdoor space where you can relax and enjoy your downtime.
